

Get FREE design expertise from Peak Auction Store designer Trish Shoup who is a member of the National Kitchen & Bath Association. Let Trish, one of the original designers of J-Mark Cabinets, help you with your kitchen design.

**A Peak Designer Can Help You With:**

- New Construction
- Remodel
- Additions

**Free Design Service Includes:**

\*Two FREE Designs, including schematics and 3-D color drawings.  
All designs are available within 72 hours, except where specified.  
Designs will be delivered via email.

**Below is the very simple Information needed:**

1. Pencil drawing, architecture drawings, other designer drawings
2. All Drawings must be legible and include the following:
  - Measurements wall to wall.
  - Where are the doors and windows?
  - How wide are the windows and doors?
  - Where is the plumbing and gas/electric for the stove?
  - Will you have an island or peninsula?
  - Color choice of cabinets?
  - Ceiling height?
  - Willing to move any walls?
  - Height of uppers desired? 30", 36", and 42" available
  - If you purchased a kitchen at auction; list of what you currently have including the width of every cabinet and the height of the upper wall cabinets.
